WORN G TORK

SERIES

LEVY'S 2" WORN AND TORN COTTON GUITAR STRAP WITH BRASS EYELETS AND TRI-GLIDE ADJUSTMENT.
ADJUSTABLE TO 60".

The Levy's Worn & Torn series straps takes our classic cotton strap and gives it some attitude. These straps are as strong and tough as they look. The craftsmen at Levy's in Nova Scotia added 46 brass eyelets to a cotton strap that has been manufactured to look like it has seen many years of use. With its worn and torn appearance, these straps have all the vibe of an old classic.

SPACE SLATWALL GUITAR HANGER

LEVY'S SLATWALL HANGER SAFELY HOLDS UP TO FIVE ELECTRIC, ACOUSTIC OR BASS GUITARS WITH INDIVIDUAL YOKES EQUIPPED WITH PIVOT & SPATIAL ADJUSTMENT.

The Levy's Slatwall Hanger elegantly displays electric, acoustic, or bass guitars, including generously spaced standoffs for accommodating pitched headstocks.

Each yoke comes equipped with pivot, swivel, and spatial adjustment to permit custom instrument arrangement – perfect for any studio or showroom wall. The panel connects to the wall via studs without the need for existing slatwall to give your precious axes a secure mounting solution (installation hardware included).
